business operations (unless such access is expressly permitted for the specific Services You have acquired);

- c) modify, make derivative works of, disassemble, decompile, or reverse engineer any part of the Services (the foregoing prohibition includes but is not limited to review of data structures or similar materials produced by programs), or access or use the Services in order to build or support, and/or assist a third party in building or supporting, products or Services competitive to Perigee;

- b) You make every reasonable effort to prevent unauthorized third parties from accessing the Services.

## 5. STANDARD PRODUCT DESCRIPTION

5.1 The Services are subject to and governed by Standard Product Description applicable to Your order. Standard Product Description may define provisioning and management processes applicable to the Services (such as capacity planning), types and quantities of system resources (such as storage allotments), functional and technical aspects of the DpEngine Programs, as well as any Services deliverables. You acknowledge that use of the Services in a manner not consistent with the Standard Product Description may adversely affect Services performance and/or may result in additional fees. If the Services permit You to exceed the ordered quantity (e.g., soft limits on counts for Users, sessions, storage, etc.), then You are responsible for promptly purchasing additional quantity to account for Your excess usage. For any month that You do not promptly purchase such additional quantity, Perigee may require You to pay, in addition to the fees for the additional quantity, an excess usage fee for those Services equivalent to 10% of the total fees for the month in which such excess usage occurred.

5.2 Perigee may make changes or updates to the Services (such as infrastructure, security, technical configurations, application features, etc.) during the Services Period, including to reflect changes in technology, industry practices, patterns of system use, and availability of Third Party Content. The Standard Product Description are subject to change at Perigee's discretion; however, Perigee changes to the Standard Product Description will not result in a material reduction in the level of performance or availability of the applicable Services provided to You for the duration of the Services Period.

5.3 As described in the Standard Product Description and to the extent applicable to the Cloud Services that You have ordered, Perigee will provide production, test, and backup environments in the Data Center Region. Perigee and its affiliates may perform certain aspects of Cloud Services, such as service administration and support, as well as other Services (including

Professional Services and disaster recovery), from locations and/or through use of subcontractors, worldwide.

## 6. USE OF SERVICES

6.1 You are responsible for identifying and authenticating all Users, for approving access by such Users to the Services, for controlling against unauthorized access by Users, and for maintaining the confidentiality of usernames, passwords and account information. By federating or otherwise associating Your and Your Users' usernames, passwords and accounts with Perigee, You accept responsibility for the timely and proper termination of user records in Your local (intranet) identity infrastructure or on Your local computers. Perigee is not responsible for any harm caused by Your Users, including individuals who were not authorized to have access to the Services but who were able to gain access because usernames, passwords or accounts were not terminated on a timely basis in Your local identity management infrastructure or Your local computers. You are responsible for all activities that occur under Your and Your Users' usernames, passwords or accounts or as a result of Your or Your Users' access to the Services, and agree to notify Perigee immediately of any unauthorized use.

6.2 You agree not to use or permit use of the Services, including by uploading, emailing, posting, publishing or otherwise transmitting any material, including Your Content, Your Applications and Third Party Content, for any purpose that may (a) menace or harass any person or cause damage or injury to any person or property, (b) involve the publication of any material that is false, defamatory, harassing or obscene, (c) violate privacy rights or promote bigotry, racism, hatred or harm, (d) constitute unsolicited bulk e-mail, "junk mail", "spam" or chain letters; (e) constitute an infringement of intellectual property or other proprietary rights, or (f) otherwise violate applicable laws, ordinances or regulations. In addition to any other rights afforded to Perigee under this Agreement, Perigee reserves the right, but has no obligation, to take remedial action if any material violates the foregoing restrictions, including Constellant End User License Agreement (EULA)

the removal or disablement of access to such material. Perigee shall have no liability to You in the event that Perigee takes such action. You shall have sole responsibility for the accuracy, quality, integrity, legality, reliability, appropriateness and ownership of all of Your Content and Your Applications. You agree to defend and indemnify Perigee against any claim arising out of a violation of Your obligations under this section.

6.3 You are required to accept all patches, bug fixes, updates, maintenance and service packs (collectively, "Patches") necessary for the proper function and security of the Services, including for the DpEngine Programs, as such Patches are generally released by Perigee as described in the Standard Product Description. Except for emergency or security related maintenance activities, Perigee will coordinate with You the scheduling of application of Patches, where possible, based on Perigee's next available standard maintenance window.

## 7. TRIAL USE AND PILOTS

7.1 Perigee may make available certain Cloud Services for trial, non-production purposes. Cloud Services for trial purposes must be ordered under a separate Agreement. Cloud Services acquired for trial purposes are provided on an "as is" and "as available" basis and may not be used with production data that has not been masked, anonymized or otherwise rendered unreadable. Perigee does not provide technical or other support or offer any warranties for such Services.

7.2 Perigee may make available "production pilots" for certain Cloud Services under this Agreement. Production pilots ordered by You provided solely for You to evaluate and test Cloud Services for Your internal business purposes. You may be required to order certain Professional Services as a prerequisite to an order for a production pilot.

## 8. FEES AND TAXES

8.1 All fees payable to Perigee are due within 30-days from the invoice date. Once placed, Your order is noncancelable and the sums paid nonrefundable, except as provided in this Agreement or Your order. You will pay any sales, value-added or other similar taxes imposed by applicable law that Perigee must pay based on the Services You ordered, except for taxes based on Perigee's income. Also, You will reimburse Perigee for reasonable expenses related to providing any Professional Services. Fees for Services listed in an order are exclusive of taxes and expenses.

8.2 You understand that You may receive multiple invoices for the Services You ordered. Invoices will be submitted to You pursuant to Perigee's Invoicing Standards Policy.

8.3 You agree and acknowledge that You have not relied on the future availability of any Services, programs or updates in entering into the payment obligations in Your order; however, the preceding does not relieve Perigee of its obligation during the Services Period to deliver Services that You have ordered per the terms of this Agreement.

## 9. SERVICES PERIOD; END OF SERVICES

9.1 Services provided under this Agreement shall be provided for the Services Period defined in Your order, unless earlier suspended or terminated in accordance with this Agreement or the order. If stated in the Standard Product Description, certain Cloud Services that are ordered will Auto Renew for additional Services Periods unless (i) You provide Perigee with written notice no later than thirty (30) days prior to the end of the applicable Services Period of your intention not to renew such Cloud Services, or (ii) Perigee provides You with written notice no later than thirty (30) days prior to the end of the applicable Services Period of its intention not to renew such Cloud Services.

9.2 Upon the end of the Services, You no longer have rights to access or use the Services, including the associated DpEngine Programs and Services Environments; however, at Your request, and for a period of up to 30 days after the end of the applicable Services, Perigee will make available to You Your Content and Your Applications as existing in the Services Environment on the date of termination. At the end of such 30-day period, and except as may be required by law, Perigee will delete or otherwise render inaccessible any of Your Content and Your Applications that remain in the Services Environment.

9.3 Perigee may temporarily suspend Your password, account, and access to or use of the Services if You or Your Users violate any provision within the 'Rights Granted', 'Ownership and Restrictions', 'Fees and Taxes', 'Use of the Services', or 'Export' sections of this Agreement, or if in Perigee's reasonable judgment, the Services or any component thereof are about to suffer a significant threat to security or functionality. If possible, Perigee will provide advance notice to You of any such suspension in Perigee's reasonable discretion based on the nature of the circumstances giving rise to the suspension. Perigee will use reasonable efforts to re-establish the affected Services promptly after Perigee determines, in its reasonable discretion, that the situation giving rise to the suspension has been cured; however, during any suspension period, Perigee will make available to You Your Content and Your Applications as existing in the Services Environment on the date of suspension. Perigee may terminate the Services under an order if any of the foregoing causes of suspension is not cured within 30 days after Perigee's initial notice thereof. Any suspension or termination by Perigee under this paragraph shall not excuse You from Your obligation to make payment(s) under this Agreement.

9.4 If either of us breaches a material term of this Agreement and fails to correct the breach within 30-days of written specification of the breach, then the breaching party is in default and the non-breaching party may terminate the order under which the breach occurred. If Perigee terminates the order as specified in the preceding sentence, You must pay within 30 days all amounts that have accrued prior to such termination, as well as all sums remaining unpaid for Constellant End User License Agreement (EULA)

the Services ordered under this Agreement plus related taxes and expenses. Except for nonpayment of fees, the non-breaching party may agree in its sole discretion to extend the 30-day period for so long as the breaching party continues reasonable efforts to cure the breach. You agree that if You are in default under this Agreement, You may not use those Services ordered.

9.5 Provisions that survive termination or expiration of this Agreement are those relating to limitation of liability, infringement indemnity, payment and others which by their nature are intended to survive.

## 10. NONDISCLOSURE

10.1 By virtue of this Agreement, the parties may have access to information that is confidential to one another (“Confidential Information”). We each agree to disclose only information that is required for the performance of obligations under this Agreement. Confidential information shall be limited to the terms and pricing under this Agreement, Your Content and Your Applications residing in the Services Environment, and all information clearly identified as confidential at the time of disclosure.

10.3 We each agree not to disclose each other’s Confidential Information to any third party other than as set forth in the following sentence for a period of three years from the date of the disclosing party’s disclosure of the Confidential Information to the receiving party; however, Constellant End User License Agreement (EULA)

Perigee will hold Your Confidential Information that resides within the Services Environment in confidence for as long as such information resides in the Services Environment. We each may disclose Confidential Information only to those employees, agents or subcontractors who are required to protect it against unauthorized disclosure in a manner no less protective than required under this Agreement. Perigee will protect the confidentiality of Your Content or Your Applications residing in the Services Environment in accordance with the Perigee security practices defined as part of the dpEngine Documentation applicable to Your order. In addition, Your Personal Data will be treated in accordance with the terms of Section 11 below. Nothing shall prevent either party from disclosing the terms or pricing under this Agreement or orders placed under this Agreement in any legal proceeding arising from or in connection with this Agreement or from disclosing the Confidential Information to a governmental entity as required by law.

10.4 We are allowed to disclose the fact that You are a customer of Perigee. We are allowed to use your logo and/or company name on our website or earnings announcements listing you as a customer. We will not disclose any details of our relationship with you without your prior, written permission.

## 11. DATA PROTECTION

11.1 In performing the Services, Perigee will comply with the Perigee Services Privacy Policy which is available upon request. The Perigee Services Privacy Policy is subject to change at Perigee's discretion; however, Perigee policy changes will not result in a material reduction in the level of protection provided for Your Personal Data provided as part of Your Content during the Services Period of Your order.

11.2 Perigee's Data Processing Standards for Perigee Cloud Services (the "Data Processing Agreement"), which is available upon request, describes the parties' respective roles for the

Perigee will act as a data processor, and will act on Your instruction concerning the treatment of Your Personal Data residing in the Services Environment, as specified in this Agreement, the Data Processing Agreement and the applicable order. You agree to provide any notices and obtain any consents related to Your use of the Services and Perigee's provision of the Services, including those related to the collection, use, processing, transfer and disclosure of Personal Data.

11.3 The Perigee's Data Processing Standards describes the administrative, physical, technical and other safeguards applied to Your Content residing in the Services Environment, and describe other aspects of system management applicable to the Services. You are responsible for any security vulnerabilities, and the consequences of such vulnerabilities, arising from Your Content and Your Applications, including any viruses, Trojan horses, worms or other programming routines contained in Your Content or Your Applications that could limit or harm the functionality of a computer or that could damage, intercept or expropriate data.

11.4 If available, you may purchase, or may be required to purchase, additional Services from Perigee (e.g., Perigee Payment Card Industry Compliance Services, Perigee HIPAA Security Services, Perigee Federal Security Services, etc.) to address particular data protection requirements applicable to Your business or Your Content.

PERIGEE IS NOT RESPONSIBLE FOR ANY DELAYS, DELIVERY FAILURES, OR OTHER DAMAGE RESULTING FROM SUCH PROBLEMS. PERIGEE IS NOT RESPONSIBLE FOR ANY ISSUES RELATED TO THE PERFORMANCE, OPERATION OR SECURITY OF THE SERVICES THAT ARISE FROM YOUR CONTENT, YOUR APPLICATIONS OR THIRD PARTY CONTENT. PERIGEE DOES NOT MAKE ANY REPRESENTATION OR WARRANTY REGARDING THE RELIABILITY, ACCURACY, COMPLETENESS, CORRECTNESS, OR USEFULNESS OF THIRD PARTY CONTENT, AND DISCLAIMS ALL LIABILITIES ARISING FROM OR RELATED TO THIRD PARTY CONTENT.

12.3 FOR ANY BREACH OF THE SERVICES WARRANTY, YOUR EXCLUSIVE REMEDY AND PERIGEE'S ENTIRE LIABILITY SHALL BE THE CORRECTION OF THE DEFICIENT SERVICES THAT CAUSED THE BREACH OF WARRANTY, OR, IF PERIGEE CANNOT SUBSTANTIALLY CORRECT THE DEFICIENCY IN A COMMERCIALY REASONABLE MANNER, YOU MAY END THE DEFICIENT SERVICES AND PERIGEE WILL REFUND TO YOU THE FEES FOR THE TERMINATED SERVICES THAT YOU PRE-PAID TO PERIGEE FOR THE PERIOD FOLLOWING THE EFFECTIVE DATE OF TERMINATION.

12.4 TO THE EXTENT NOT PROHIBITED BY LAW, THESE WARRANTIES ARE EXCLUSIVE AND THERE ARE NO OTHER EXPRESS OR IMPLIED WARRANTIES OR CONDITIONS INCLUDING FOR SOFTWARE, HARDWARE, SYSTEMS, NETWORKS OR ENVIRONMENTS OR FOR MERCHANTABILITY, SATISFACTORY QUALITY AND FITNESS FOR A PARTICULAR PURPOSE.

### 13. LIMITATION OF LIABILITY

NEITHER PARTY SHALL BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE, OR CONSEQUENTIAL DAMAGES, OR ANY LOSS OF REVENUE OR PROFITS (EXCLUDING FEES UNDER THIS AGREEMENT), DATA, OR DATA USE. PERIGEE'S MAXIMUM LIABILITY FOR ALL DAMAGES ARISING OUT OF OR RELATED TO THIS AGREEMENT OR YOUR ORDER, WHETHER IN CONTRACT OR TORT, OR OTHERWISE, SHALL IN NO EVENT EXCEED, IN THE AGGREGATE, THE TOTAL AMOUNTS ACTUALLY PAID TO PERIGEE FOR THE SERVICES UNDER THE ORDER THAT IS THE SUBJECT OF THE CLAIM IN THE TWELVE (12) MONTH PERIOD IMMEDIATELY PRECEDING THE EVENT GIVING RISE TO SUCH CLAIM LESS ANY REFUNDS OR CREDITS RECEIVED BY YOU FROM PERIGEE UNDER SUCH ORDER.

### 14. INDEMNIFICATION

14.1 Subject to the terms of this Section 14 (Indemnification), if a third party makes a claim against either You or Perigee ("Recipient" which may refer to You or Perigee depending upon which party received the Material), that any information, design, specification, instruction, software, service, data, hardware, or material (collectively, "Material") furnished by either You or Perigee ("Provider" which may refer to You or Perigee depending on which party provided the Material) and used by the Recipient infringes the third party's intellectual property rights, the Provider, at the Provider's sole cost and expense, will defend the Recipient against the claim and indemnify the Recipient from the damages, liabilities, costs and expenses awarded by

the court to the third party claiming infringement or the settlement agreed to by the Provider, if the Recipient does the following:

- a) notifies the Provider promptly in writing, not later than 30 days after the Recipient receives notice of the claim (or sooner if required by applicable law);
- b) gives the Provider sole control of the defense and any settlement negotiations; and
- c) gives the Provider the information, authority and assistance the Provider needs to defend against or settle the claim.

14.2 If the Provider believes or it is determined that any of the Material may have violated a third party's intellectual property rights, the Provider may choose to either modify the Material to be non-infringing (while substantially preserving its utility or functionality) or obtain a license to allow for continued use, or if these alternatives are not commercially reasonable, the Provider may end the license for, and require return of, the applicable Material and refund any unused, prepaid fees the Recipient may have paid to the other party for such Material. If such return materially affects Perigee's ability to meet its obligations under the relevant order, then Perigee may, at its option and upon 30 days prior written notice, terminate the order.

14.3 The Provider will not indemnify the Recipient if the Recipient (a) alters the Material or uses it outside the scope of use identified in the Provider's user or program documentation or Standard Product Description, (b) uses a version of the Material which has been superseded, if the infringement claim could have been avoided by using an unaltered current version of the Material which was made available to the Recipient, or (c) continues to use the applicable Material after the end of the license to use that Material. The Provider will not indemnify the Recipient to the extent that an infringement claim is based upon any information, design, specification, instruction, software, service, data, hardware or material not furnished by the Provider. Perigee will not indemnify You for any portion of an infringement claim that is based upon the combination of any Material with any products or Services not provided by Perigee.

Perigee will not indemnify You to the extent that an infringement claim is based on Third Party Content or any Material from a third party portal or other external source that is accessible to You within or from the Services (e.g., a social media post from a third party blog or forum, a third party Web page accessed via a hyperlink, etc.). Perigee will not indemnify You for infringement caused by Your actions against any third party if the Services as delivered to You and used in accordance with the terms of this Agreement would not otherwise infringe any third party intellectual property rights. Perigee will not indemnify You for any intellectual property infringement claim(s) known to You at the time Services rights are obtained.

14.4 The term “Material” defined above does not include Plugins and Extensions. Solely with respect to Plugins and Extensions that is part of or is required to use the Cloud Services and that is used: (a) in unmodified form; (b) as part of or as required to use the Cloud Services; and (c) in accordance with the usage grant for the relevant Cloud Services and all other terms and conditions of this Agreement, Perigee will indemnify You for infringement claims for Plugins and Extensions to the same extent as Perigee is required to provide infringement indemnification for Materials under the terms of the Agreement.

14.5 This Section 14 provides the parties’ exclusive remedy for any infringement claims or damages.

## 15. THIRD PARTY WEB SITES, CONTENT, PRODUCTS, AND SERVICES

15.1 The Services may enable You to link to, transmit Your Content to, or otherwise access, other Web sites, content, products, services, and information of third parties. Perigee does not control and is not responsible for such Web sites or any such content , products, services and information accessible from or provided through the Services, and You bear all risks associated with access to and use of such Web sites and third party content, products, services and information.

15.2 Any Third Party Content made accessible by Perigee in or through the Services Environment is provided on an “as-is” and “as available” basis without any warranty of any kind. Third Party Content may be indecent, offensive, inaccurate, infringing or otherwise objectionable or unlawful, and You acknowledge that Perigee is not responsible for and under no obligation to control, monitor or correct Third Party Content; however, Perigee reserves the right to take remedial action if any such content violates applicable restrictions under Section 6.2 of this Agreement, including the removal of, or disablement of access to, such content.

15.3 You acknowledge that: (i) the nature, type, quality and availability of Third Party Content may change at any time during the Services Period, and (ii) features of the Services that interoperate with third parties such as LinkedIn™, GitHub™, Stackoverflow™, Facebook™, YouTube™ and Twitter™, etc. (each, a “Third Party Service”), depend on the continuing availability of such third parties’ respective application programming interfaces (APIs) for use with the Services. Perigee may update, change or modify the Services under this Agreement as a result of a change in, or unavailability of, such Third Party Content, Third Party Services or APIs. If any third party ceases to make its Third Party Content or APIs available on reasonable terms for the Services, as determined by Perigee in its sole discretion, Perigee may cease providing access to the affected Third Party Content or Third Party Services without any liability to you. Any changes to Third Party Content, Third Party Services or APIs, including their availability or unavailability, during the Services Period does not affect Your obligations under this Agreement or the applicable order, and You will not be entitled to any refund, credit or other compensation due to any such changes.

15.4 Any Third Party Content that You store in Your Services Environment will count towards any storage or other allotments applicable to the Cloud Services that You ordered.

## 16. SERVICES TOOLS AND ANCILLARY PROGRAMS

16.1 Perigee may use tools, scripts, software, and utilities (collectively, the “Tools”) to monitor and administer the Services and to help resolve Your Perigee service requests. The Tools will not collect or store any of Your Content or Your Applications residing in the Services Environment, except as necessary to provide the Services or troubleshoot service requests or other problems in the Services. Information collected by the Tools (excluding Your Content and Your Applications) may also be used to assist in managing Perigee’s product and service portfolio, to help Perigee address deficiencies in its product and service offerings, and for license and Services management.

16.2 As part of the Cloud Services, Perigee may provide You with on-line access to download certain Ancillary Programs for use with the Services. If Perigee does not specify Separate Terms for such Ancillary Programs, You shall have a non-transferable, non-exclusive, non-assignable, limited right to use such Ancillary Programs solely to facilitate Your access to, operation of, and/or use of the Services Environment, subject to the terms of this Agreement and Your order. Your right to use such Ancillary Programs will terminate upon the earlier of Perigee’s notice (which may be through posting on <https://support.Perigee.com> or such other URL designated by Perigee), the end of the Cloud Services associated with the Ancillary Programs, or the date on which the license to use the Ancillary Programs ends under the Separate Terms specified for such programs.

## 17. SERVICE ANALYSES

Perigee may (i) compile statistical and other information related to the performance, operation and use of the Services, and (ii) use data from the Services Environment in aggregated form for security and operations management, to create statistical analyses, and for research and development purposes (clauses i and ii are collectively referred to as “Service Analyses”).

Constellant End User License Agreement (EULA)

Perigee may make Service Analyses publicly available; however, Service Analyses will not incorporate Your Content or Confidential Information in a form that could serve to identify You or any individual, and Service Analyses do not constitute Personal Data. Perigee retains all intellectual property rights in Service Analyses.

## 18. EXPORT

Export laws and regulations of the United States and any other relevant local export laws and regulations apply to the Services. You agree that such export laws govern Your use of the Services (including technical data) and any Services deliverables provided under this Agreement, and You agree to comply with all such export laws and regulations (including “deemed export” and “deemed re-export” regulations). You agree that no data, information, software programs and/or materials resulting from Services, Your Applications, or Your Content (or direct product thereof) will be exported, directly or indirectly, in violation of these laws, or will be used for any purpose prohibited by these laws including, without limitation, nuclear, chemical, or biological weapons proliferation, or development of missile technology.

## 19. FORCE MAJEURE

Neither of us shall be responsible for failure or delay of performance if caused by: an act of war, hostility, or sabotage; act of God; pandemic; electrical, internet, or telecommunication outage that is not caused by the obligated party; government restrictions (including the denial or cancelation of any export, import or other license); or other event outside the reasonable control of the obligated party. We both will use reasonable efforts to mitigate the effect of a force majeure event. If such event continues for more than 30 days, either of us may cancel unperformed Services and affected orders upon written notice. This Section does not excuse either party’s obligation to take reasonable steps to follow its normal disaster recovery procedures or Your obligation to pay for the Services.

## 20. GOVERNING LAW AND JURISDICTION

This Agreement is governed by the substantive and procedural laws of the State of Texas and You and Perigee agree to submit to the exclusive jurisdiction of, and venue in, the courts in Travis County Texas in any dispute arising out of or relating to this Agreement. The Uniform Computer Information Transactions Act does not apply to this Agreement or to orders placed under it.

## 21. NOTICE

21.1 Any notice required under this Agreement shall be provided to the other party in writing. If You have a dispute with Perigee or if You wish to provide a notice under the Indemnification Section of this Agreement, or if

## 22. ASSIGNMENT

You may not assign this Agreement or give or transfer the Services (including the DpEngine Programs) or an interest in them to another individual or entity. If You grant a security interest in any portion of the Services, the secured party has no right to use or transfer the Services or any deliverables. The foregoing shall not be construed to limit the rights You may otherwise have with respect to Plugins and Extensions licensed under open source or similar license terms.

## 23. OTHER

23.1 Perigee is an independent contractor and we agree that no partnership, joint venture, or agency relationship exists between us. We each will be responsible for paying our own employees, including employment related taxes and insurance. You shall defend and indemnify Perigee against liability arising under any applicable laws, ordinances or regulations related to Your termination or modification of the employment of any of Your employees in connection with any Services under this Agreement. You understand that Perigee's business partners, including any third party firms retained by You to provide consulting services or applications that interact with the Cloud Services, are independent of Perigee and are not Perigee's agents. Perigee is not liable for nor bound by any acts of any such business partner, unless the business partner is providing Services as an Perigee subcontractor on an engagement ordered under this Agreement and, if so, then only to the same extent as Perigee would be responsible for Perigee resources under this Agreement.

23.2 If any term of this Agreement is found to be invalid or unenforceable, the remaining provisions will remain effective and such term shall be replaced with another term consistent with the purpose and intent of this Agreement.

23.3 Except for actions for nonpayment or breach of Perigee's proprietary rights, no action, regardless of form, arising out of or relating to this Agreement may be brought by either party more than two years after the cause of action has accrued.

23.4 DpEngine Programs and Services are not designed for or specifically intended for use in nuclear facilities or other hazardous applications. You agree that it is Your responsibility to ensure safe use of DpEngine Programs and Services in such applications.

23.5 You shall obtain at Your sole expense any rights and consents from third parties necessary for Your Content, Your Applications, and Third Party Content, as well as other vendor's products provided by You that You use with the Services, including such rights and consents as necessary for Perigee to perform the Services under this Agreement.

23.6 You agree to provide Perigee with all information, access and full good faith cooperation reasonably necessary to enable Perigee to provide the Services and You will perform the actions identified in the Standard Product Description and any Statement of Work associated with your order as Your responsibilities.

23.7 You remain solely responsible for Your regulatory compliance in connection with Your use of the Services. You are responsible for making Perigee aware of any technical requirements that result from Your regulatory obligations prior to entering into an order governed by this Agreement. Perigee will cooperate with your efforts to determine whether use of the standard Perigee Services offering is consistent with those requirements. Additional fees may apply to any additional work performed by Perigee or changes to the Services.

23.8 Perigee may audit Your use of the Services (e.g., through use of software tools) to assess whether Your use of the Services is in accordance with Your order. You agree to cooperate with Perigee's audit and provide reasonable assistance and access to information. Any such audit shall not unreasonably interfere with Your normal business operations. You agree to pay within

Constellant End User License Agreement (EULA)

30 days of written notification any fees applicable to Your use of the Services in excess of Your rights. If You do not pay, Perigee can end Your Services and/or Your order. You agree that Perigee shall not be responsible for any of Your costs incurred in cooperating with the audit.

23.9 The purchase of Cloud Services, Professional Services, or other service offerings, programs or products are all separate offers and separate from any other order. You understand that you may purchase Cloud Services, Professional Services, or other service offerings, programs or products independently of any other order. Your obligation to pay under any order is not contingent on performance of any other service offerings or delivery of programs or products.

#### 24. Entire Agreement

24.1 You agree that this Agreement and the information which is incorporated into this Agreement by written reference (including reference to information contained in a URL or referenced policy), together with the applicable order, is the complete agreement for the Services ordered by You and supersedes all prior or contemporaneous agreements or representations, written or oral, regarding such Services.

24.2 It is expressly agreed that the terms of this Agreement and any Perigee order shall supersede the terms in any purchase order, procurement internet portal, or other similar non-Perigee document and no terms included in any such purchase order, portal, or other non-Perigee document shall apply to the Services ordered. In the event of any inconsistencies between the terms of an order and the Agreement, the order shall take precedence; however, unless expressly stated otherwise in an order, the terms of the Data Processing Agreement shall take precedence over any inconsistent terms in an order. Except as otherwise permitted in Section 5 (Standard Product Description) and Section 11 (Data Protection) with respect to the Services, this Agreement and orders hereunder may not be modified and the rights and restrictions may not be altered or waived except in a writing signed or accepted online through

the Perigee Store by authorized representatives of You and of Perigee. No third party beneficiary relationships are created by this Agreement.
